Subject : **Engineering Job Fair - 2009**
 Forum for Communication & Recruitment

Dear Sir,

The Alumni Committee of the Lebanese University Faculty of Engineering Branch 2 – Roumieh is proud to announce the organization of Engineering Job Fair – 2009 Forum for Communication & Recruitment in its 2nd Edition, open for all universities and engineers.

The Overwhelming event will be held at “*Palais des Congrès*” Dbayeh on Friday 6th, Saturday 7th and Sunday 8th of November 2009 from 4:00 pm till 10:00 pm.

Herewith a brief description of the Fair:

Objectives:

- Aim to be an attractive and Leading Engineering Forum for communication and recruitment.
- Create a meeting platform for all, student, professional and academic engineers.
- Establish direct links between engineers and engineering companies working in Lebanon and abroad.
- Assist fresh graduates and adult engineers seeking for employment and better job opportunities.

Exhibitors:

Our target is to gather, for three consecutive days, more than 70 engineering companies working in the field of Civil, Mechanical, Electrical and Telecommunication Engineering.

Participants:

The Forum is dedicated to:

- Engineering students searching for training opportunities.
- Fresh graduate engineers preparing their entrance into the active life.
- Adult engineers seeking for better job opportunities.
- Managers and engineers looking to share information and be updated with the latest news.

Space and Special Activities:

The indoor employment and internship zone will exceed 2500 m², in addition of special activities such as:

- Ongoing conferences on engineering subjects and jobs.
- Creating rounded tables where professionals and students can share ideas and experiences.

Finally we would like to express our honor inviting you to participate in our Forum, hoping to move forward together in Universities, Companies and so on in our beloved country.

Please find attached:

- A floor plan of the fair.
- A contract to be signed in case of participation.
- Picture showing types of stands.

For more info please contact :
